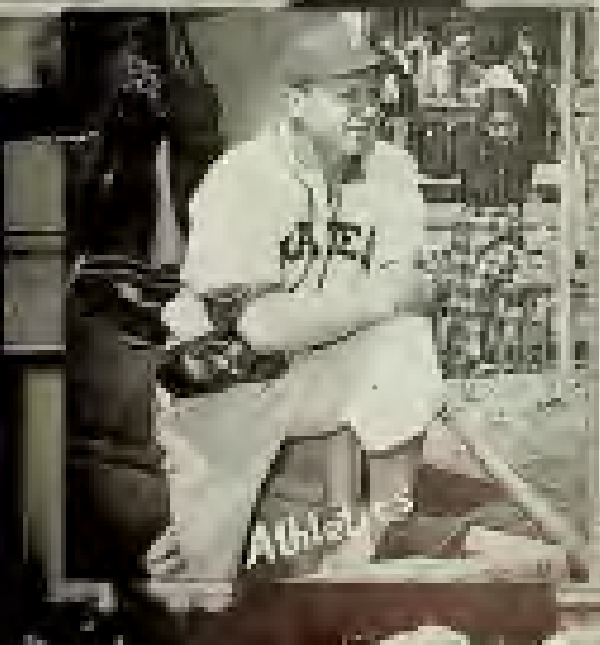
NEW ALBANY

HIGH SCHOOL



To These

If a school is only as successful as its students, then the students of New Albany High School justly have cause to be proud for many are the honors and rewards which have been bestowed upon N. A. H. S. graduates. Since an annual is in reality a record of the progress which a school makes, it is only proper that we here recognize and pay tribute to alumni who have risen *To These Heights*. The men whose pictures appear here represent various fields of achievement to which these and many other New Albany High School graduates have attained.

Heights

EDUCATION—Charles Allen Prosser, director of William Hood Dunwoody Industrial Institute in Minneapolis, 1945; director of Vocational Education in the Philippines and Hawaii, 1931.

MEDICINE—Dr. Roy W. Scott, heart specialist, Cleveland City Hospital; professor of clinical Medicine; member of Association of American Physicians; president of the American Heart Association.

ATHLETICS—Billy Herman, manager of the Pittsburg Pirates, 1947; played in four World Series and eleven all-star games.

LAW—Sherman Minton, U. S. Senator, 1935-1941; appointed administrative assistant to the President, 1941; judge of U. S. Circuit Court of Appeals for 7th Circuit.

INDUSTRY—Louis Ruthenburg, president of Servel, Inc.; president of American Society of Refrigerator Engineers, 1941-1942.

MILITARY—Capt. Joseph Renn, commanding officer of U. S. Naval Station, New Orleans; in charge of ships at the Bikini Atom Bomb Experiment.

To These Heights . . .

A lofty mountain, a majestic redwood, stratospheric clouds and flaming sun—these things represent to mankind the supreme quality of height. We look up to admire natural phenomena; we look up to receive advice from our elders; and we look up to praise the glory of God.

But these elements do not comprise all the heights of the world. Education, ambition, faith, love, happiness, security, and generosity —these are the things for which we must strive. Let us go forward, seniors, with confidence in ourselves and our generation until that eternal day when we shall at last have risen *To These Heights.*

ADMINISTRATION

John Cuetty

Public School Administration Building

During the past year New Albany High School, by being accepted into the North Central Association, has risen to great heights. This progress was not accomplished by an unorganized group of people, but by an intricate system of active, progressive citizens anxious to make New Albany High School and other city schools as modern and as efficient as possible.

At the head of the administrative system of schools are Irvin F. Fleischer, Oscar O. Bader, and H. Scott Pickens, who comprise the Board of Education. These officials are appointed by the City Council. The superintendent of schools is, in turn, chosen by the board to be the true executive officer of the schools. Harry R. Davidson has retained this position since 1944.

The task of carrying on the administrative work in the high school proper is directed by C. C. Katterjohn, principal, with the assistance of Fred Hochmeister and Miss Etelka Rockenbach, assistant principals. Supervision of guidance and management of social activities are the duties of Mrs. Jessie Beard Long, Dean of Girls, and Gordon Raney, Dean of Boys.

BOARD OF EDUCATION

This year New Albany High School has been honored with membership in the North Central Association of Colleges and Secondary Schools. This is the nation's highest educational accrediting agency. Our school is only the one hundred and sixty-third of Indiana's eight hundred high schools that has been so honored.

The 1948 graduates, former, and future graduates can value their diplomas with just a little more pride since the school has met the test of a detailed inspection and has been adjudged as ranking with the nation's best schools.

The senior class furnished the leadership necessary to develop the student activity phase of the needed program. Underclassmen and classes yet to enter high school have the responsibility of keeping the student participation of the school on this high level.

The community through its school trustees has pledged the youth of the city the very best in educational opportunity by the preparation for and application of this rating. As your superintendent of schools, it is my sincere hope that parents, teachers, and students will always respect and cherish this coveted honor of the school and city and see that nothing happens to lower the standards of educational opportunity in New Albany.

Harry R. Davidson.

The air-borne of nature—the winged insects and their feathered friends—reach for unattainable heights through a divine plan of natural selectivity and inborn instinct.

Their human associates, endowed with reason, seek those heights by planned work and discovery. Humanity's objectives are both material and spiritual. Thus we have the jet propelled aeroplane and the "One World" idea. High school students seek, with the effervescence and imagination of youth, those heights with a desire to unshackle civilization for better living. Theirs is an ideal of service.

Both instinctive nature and reasoning humanity open the way to new heights by work, both physical and mental—one by God-planned selectivity, the other by God-given reason. Of the two, reasoning humanity visions new heights to be attained and finds joy in the work to be done.

So our student body is challenged, as each senior class passes from our school, to reach for those heights their former school mates thought were beyond reach.

May each senior be inspired by school-day ideals to carry to new heights in service and in work their material and spiritual desires for a better society among world nations.

The *Senior Blotter* is the name of the senior annual. The staff consists of fifty seniors who were selected at the beginning of the year. They are divided into various committees, each doing its part to make the year book a success. Miss Bobb supervises these groups. The purpose of the annual is to keep a permanent record of the outstanding events of the year. In October, Betty Wray Adams, Betty Gardner, and Jane Leaf went to Franklin College to the Indiana High School Press Association Conference where all the modern methods of publishing an annual were studied. The *Senior Blotter* is a member of the National Scholastic Press Association.

STUDENT COUNCIL

First row—Allgood, LaDuke, Losson, N. Radcliffe, B. Weber, Hasty, Goodman, Allan, Burns, J. Fein, Potts, Hunter, Schuppert.

The Student Council is truly the governing body of the school. It consists of one representative elected in every home room. Its aim is to improve conditions about the school. The new Hammond Organ was purchased with the money raised from the magazine drive, which was conducted under the supervision of the Student Council. It also passed and enforced grass-walking laws in the fall. The last project was the building of a new bicycle stand. The officers who were elected by the entire student body were: president, Orval Stone; vice-president, Robert Williams; secretary, Lynn Huncilmann; and treasurer, Betty Weber. Mrs. Long and Mr. Raney direct the group.

SCHOLARSHIP "N"

Top row, left to right—Allgood, Potts, Whitlock, Gardner, Livingston, McClure, Hinton, Doyle, Poff.
First row—Schroeder, Oeffinger, Adams.

One of the highest honors a student of New Albany High School can receive is a scholarship "N", a tufted letter to be worn on a school sweater. To earn an "N", a pupil must receive straight A's in four subjects and a grade of not lower than a B in the fifth, if one is taken.

"N" winners for last semester were: Betty Wray Adams, James Allgood, Delores Atkins, JoAnn Brock, J. R. Crosby, Lynden Duvall, Donald Evans, Betty Gardner, Louise Hobbs, Albert Koehler, Lethelda Livingston, Betty McClure, Lois Pate, Robert Potts, Marilyn Randolph, William Schuppert, Beth Taylor, Richard Tichy, Juanita Ther, and Anna Von Allmen.

SPEAKERS

Top row, left to right—Renshaw, Miss Kirk, Lorch, Jackson, Helck.
Third row—Lang, Love, McAfee, Salyers, Atkins, Blackburn, Funk, Whitlock.
Second row—White, Keller, Budd, Scott, Pallant, Livingston, McClure.
First row—Blake, Keach, Gastineau, Brock, Hansford, Wilson, Bettinger, Leaf, Hinton, Spicer, Craycraft, Engleman.

"To these heights" is a theme which is carried out by the Speakers, an all-girl invitational organization. All prospective members of this club must prepare a short talk as a try-out for membership. An appropriate initiation follows the selection of new members.

Speakers' program of activities is geared to stimulate better public speakers. It presents the Christmas play annually under the direction of its sponsor, Miss Kirk. The play this year was entitled "Don't Open Until Christmas". The plot revolved around a family whose main thoughts at Christmas time were about the presents they would receive.

In keeping with their purpose, Speakers compete with Wranglers in the traditional Speaker-Wrangler Cup Contest. In the fall a chilly but gala hayride was given for the club members and dates.

The club sponsors a fund for recreational material needed at Nichols General Hospital in Louisville. Officers are chosen every semester. First semester officers were: president, Betty Lou Whitlock; vice-president, Lethelda Livingston; secretary, Emma Lou Love; treasurer, Sheila Hinton; student critic, Ruth Ann Renshaw. Second semester officers were: president, Lenore Gastineau; vice-president, Carmen Keach; secretary, Sheila Spicer; treasurer, June Lorch; student critic, Edith McAfee.

WRANGLERS

Top row, left to right—Rue, Brown, Newbanks, Callihan, Boaz, Voyles, Michel, Mr. Marvin Oakes.
Second row—Livingston, Crosby, Denison, Weber, Trinkle, Brinkworth, Lindeman.
First row—Tichy, Doyle, Ballard, Black, McCaffrey, Mook, Bowling, Hagman, Weber.

When Speakers are at a loss for male assistants in the presentation of the Christmas play, the club naturally relies on Wranglers. Such was the case this year. Three Wranglers took parts in the play, and numerous others helped back stage. In return, the girls are asked to help plan a spring formal for both clubs. Wrangler members also plan and present an amusing pep session on the day of the Jeffersonville-New Albany basketball game.

Wranglers participate in the Speakers-Wrangler cup contest, which is held every spring. There is an age-old rivalry between Speakers and Wranglers to gain possession of the gold cup. Once a year students prepare speeches on some phase of social science and present talks before the school. Speeches are judged by several prominent men of New Albany, and the winner has his name engraved on the cup which is kept in the trophy case in the main hall. This contest is open to any member of the school, but the rivalry is strongest between members of the two clubs.

Wranglers' purpose is to promote public speaking by participation in debates, speech contests, discussions, and other worthy functions of the school. The membership is limited to twenty-five members, and all members must have an A or B average in English and history. The following officers for the past year were: president, William Boaz; vice-president, James Brown; secretary, Carl Black; treasurer, Steven Michel; sergeant-at-arms, Jack Trinkle. They were assisted by the club sponsor, Mr. Oakes.

THESPIANS AND DRAMATICS

THESPIANS

Top row, left to right—Leaf, Adams, McDonald, Melcher, Pallant, Mr. Oakes. *Second row*—Vissers, McMahel, Edwards, Whitlock, Goodyear, Ridenour, Weber. *First row*—Fein, Hargrave, Kelso, Brown, Trinkle, Inlow, McLaughlin, Epperson.

DRAMATICS

Top row, left to right—Edwards, M. J. Fein, Melcher, Thomas, Harmeling, Benbrook, Sodrel. *Second row*—Vissers, Williams, Goodyear, Hargrave, Kelso, Trinkle, Deatrick, Corrao, Jacobi, Ridenour. *First row*—Hoffman, Zier, Dreyer, Powell, Bland, M. A. Fein, McLaughlin, Coffman, Day, Mr. Oakes.

The National Thespian Society is devoted to the advancement of dramatic arts. All Thespians have worked hard in order to gain enough points to become members of this organization, because they are the students interested in bringing all new talent to the stage. Experience gained by membership in this group may be a stepping stone to future success in this field.

To become a Thespian, one must earn ten points through acting, debating, participating in discussions, or some other phase of dramatic arts. Those interested in makeup and stage decorating and management are also eligible to earn points. Thespian officers were: president, Robert Kelso; vice-president, Betty Wray Adams; secretary, Jane Hargrave; treasurer, Betty Lou Whitlock; sergeant-at-arms, George Edwards.

The work of the Dramatics Club is largely supplementary to Thespians. One interested in dramatics can participate in the activities of this club while working to become a Thespian. As head of the speech department, Mr. Oakes sponsors both groups. Dramatic Club officers were: president, Marilyn Brown; vice-president, Regina Hoffman; secretary, Jane Hargrave; treasurer, Mary Ann Fein.

HI-TIME STAFF

Top row, left to right—Weber, McMahel, Hargrave, Mr. Oakes.

First row, left to right—Whitlock, McAfee, Adams, Fein, Trinkle.

"Be seeing you on Hi-Time" are the familiar words spoken by the senior announcer at the close of a radio program presented by New Albany High School. Every other Friday at 4:30 p. m. the students participate in a broadcast from the studio at WGRC.

Fifteen minutes of local scoops, sports news, and transcribed music by the high school band and chorus are features of the program. The entire script is written by the students themselves. The broadcast of Hi-Time is one in a series of programs by the schools of Louisville and southern Indiana. However, New Albany is the only school that broadcasts every two weeks; the others are on monthly.

The Hi-Time staff has managed to present previews of school plays and interviews with the different department heads in the school. Each year tryouts are held for the purpose of selecting the staff.

One of the many interesting programs was built around the story of how the school paper, *The Blotter,* is written and printed. The staff is under the capable leadership of Mr. Oakes. Listen in for Hi-Time!

First row—Perkins, Reed, Wolfe, Gebhart, Rodgers, Melton, McClarney, Finn, Fein.

Emily Post is a new club in school. It is divided into two groups, one sponsored by Mrs. Pritz and the other by Miss Reed. As the name implies, the aim of Emily Post is self-improvement. The members try to become socially competent by acquiring courteous manners, correct speech, and an interesting personality. They hope to learn to meet all social situations gracefully. The club's important social affair of the year is the formal dance given in the spring.

Officers elected for the year were: president, Walter Poff; vice-president, Regis Roberts; secretary, Nancy Goulding; and treasurer, Bruce Porter.

The New Albany High School Band, in new scarlet, black, and gold uniforms, is one of the most colorful as well as one of the finest musical organizations in Indiana. The band has had a heavy schedule during the school year playing for concerts, participating in marching formations, and presenting special novelties for all athletic events. It received statewide recognition when it represented the instrumental division at the 94th Indiana State Teachers' Association Convention held October 23, 1947, in Indianapolis. The band personnel includes soloists and ensembles who have brought credit to the music department by their superior ratings in the State Solo and Ensemble Contests.

The students from New Albany were featured in formal concert and presented a clinic demonstration of rehearsal techniques directed by Wilfred Bain, Dean of the Indiana University School of Music. The Choir sang at midyear baccalaureate services and at both baccalaureate and commencement in the spring. On January 12 the members held a banquet at the Frances Cafeteria and invited their employers in appreciation of their cooperation with the program. They took a field trip downtown to observe advertising and window displays. In order to interest other students in this program, the club made moving pictures of students on the job.

Club members also sponsored various sales projects such as selling hot dogs at the football games. Radio programs, stage skits, and other publicity programs were given to show the value of sales training in the developing of a retailing career.

Mr. Miltenberger sponsors this club. Its officers were: president, James Stemle; vice-president, Jean Radcliffe; treasurer, Carl Reeder; and secretary, Raymond Bauer.

"To build a better world
Ready I must be
In the place where life doth find me

Into glorious adventure
You . . . and I . . . and God."

This is the Tri-Hi-Y code which is well worth remembering. This all-girl group belongs to the national organization of Y. M. C. A. Twenty-two members attended the district conference at Hanover on November 22. Directing them in maintaining good citizenship for the first semester was Mrs. Greene. Tri-Hi-Y was taken over by Miss Braeutigam the second semester.

Similar in purpose, the two clubs jointly support worthwhile programs. During the basketball games Tri-Hi-Y maintained a checkroom on the third floor in accordance with Hi-Y who managed one on the lower floor. The money collected from the checkroom is used for a school improvement project.

Officers elected for the year were: president, Sheila Hinton; vice-president, Dolores LaDuke; secretary, Mary Pat White; treasurer, Prudence Helck; chaplain, Molly Wilson; marshal, Maryetta MacMurray.

A need for a checkroom on the first floor at the basketball games was met by the Hi-Y. Another outstanding feature this year was a trip to Hanover with Tri-Hi-Y on November 22 to attend the district conference.

Always on the alert to answer the call for good citizenship, the Hi-Y club, under the capable leadership of its officers, made the school a better place to attend. Officers serving them were president, Carl Black; vice-president, Jack Hosbach; secretary, George Gamble; treasurer, Charles Hughes; chaplain, William Boaz; sergeant-at-arms, James Brown; publicity agent, Read Fox.

The club operates under a system of rotating chairmen. Each week the member responsible for the program conducts the meeting. The only permanent officers are secretary Anna Marie Losson, and coordinator Betty Lawrence Gardner.

The principal purpose of the club is to give members a first-hand view of science at work, particularly in industry.

The constitution requires each member to have a science project, and he may be required to present or demonstrate it to the club.

The laboratories of the Division of Industrial Hygiene in Louisville were inspected November 22. Visits to the Colgate-Palmolive-Peet Company and the Speed Cement Company were made during the Christmas vacation. The final field trip during the first semester was taken to the S. J. Gardner Foundry and Machine Company where the club viewed the pouring of small castings.

Attired in violently clashing clothes and wearing large onions around their necks, twenty-five members were initiated into the Minerva Club at the Seymour football game on October 10. In contrast, the formal initiation was a beautiful ceremony with the officers dressed in formals. The vice-president, as Spirit of Economics, recited the aims of the club which were represented by six colored candles held by the secretary and treasurer. Then each initiate lighted her candle and said her vows to the club. The officers were: president, Jean Radcliffe; vice-president, Mary Riall; secretary, Clarissa Fosskuhl; treasurer, La Vera Taylor.

A tea was given for the members of the faculty before Christmas, with students of the foods classes in charge. The club raised funds by selling pencils with basketball schedules printed on them.

FOOTBALL

During the 1947 football season, Coach Alex Thom led the Bulldogs to 6 wins, 1 tie, and 3 losses. It was considered a successful season for the Canines, and the team progressed from game to game. It might also be mentioned that New Albany was the leading team for a few weeks in the S.I.A.C.

SECOND TEAM

BASKETBALL

Coach Gordon Raney, during his third season as the Bulldog basketball mentor, led his New Albany team to the semi-finals with 22 wins and 5 losses. The warriors of Red and Black, sparked by co-captains Orval Stone and Jo Jo Dean, along with the able assistance of James Haller, Robert Clayton, Pete Gill, James Fougerousse, Charles Middleton, Walter Poff, Paul Poff, and John Brinkworth, showed outstanding power against strong opposition. At one time during the season they were rated the state's No. 2 team. During tournament time, the Dogs were obviously one of the hottest teams in the state. They were victorious in the Sectional and for the first time since 1936, they went on to capture the Regional by defeating the state's first choice—Bedford. At the semi-finals in Bloomington, New Albany's sizzling streak cooled, and they were defeated by a fast-moving Jasper outfit. That was all for the Bulldogs; but they will not be forgotten soon. Many have said that this team was one of the greatest, if not *the* greatest ever to represent New Albany.

Pups

Alex Thom's hard-fighting '47 Pup team revealed a lot of promising ability for future varsity teams. They won 12 games and lost 4. The Pups did not possess too much height but made up for it with accurate shooting and drive.

Freshmen

The freshman basketball team, coached by Floyd Henry, played spectacular ball to be the victors in the annual Southern Indiana Athletic Conference tournament at Jasper. The '47 freshman squad is one of the strongest to represent New Albany in several years.

Freshmen *Top row, left to right*—Ward, Anderson, Henry, McKim, Yeager, Jenkins, Bowling, Coach Henry. *First row*—Belcher, White, Pavey, Kraft, Poff, Webb, Hottle, Hunter, Riely, Glover.

BASEBALL

Last season's diamond aggregation tallied 12 wins and 4 losses. The Mutts showed more strength in the field than at the platter, but they showed spirit and team play throughout every game. Coached by Gordon Raney, the Dogs boasted of such outstanding players as Irvin Dobbins, who served mound duty, Don Stevens, and Jo Jo Dean.

Returning this year are Joe Jackson, Raymond Bauer, Allan Childs, James Fougerouse, and Jo Jo Dean.

Top row, left to right—Mr. Pay, Veit, Burke, Embrey, Glover, Baxter, Hughes, Williams.

Earl Behr was the low medalist with a score of 75, the lowest score ever made at a competitive state meet. The New Albany tee-toters also placed third in the Southern Indiana Athletic Conference held at Bedford.

Realtor

"I don't believe in a law to prevent a man from getting rich; it would do more harm than good. I take it that it is best for all to leave each man free to acquire property as fast as he can. Property is the fruit of labor; property is desirable; is a positive good in the world. That some should be rich shows that others may become rich, and hence is just encouragement to industry and enterprise. . . . Let not him who is houseless pull down the house of another, but let him labor diligently to build one for himself, thus by example assuring that his own shall be safe from violence."

Abraham Lincoln.
